SUMMARY STATEMENTS

- God is not limited in the number of ways He can speak.
- The key is not how He speaks, but that He does speak. People in the Bible knew it was God speaking, and He spoke specifically.
- To confront Jesus is to confront God.
- The Holy Spirit guides you and will teach you all things.
- Sin cripples our capacity to understand the Word of God. Unaided by the Holy Spirit, we cannot know and understand.
- The Truth of God is a Person, not a concept.
- Truth is revealed. The Bible is the tool the Spirit of God uses to bring you face-to-face with the activity of God in your life.
- Four ways God speaks: (1) Bible, (2) Prayer, (3) Circumstances, (4) Church-the people of God.
- Time in the Scripture is important before prayer.
- The Holy Spirit is God's provision to help you when you pray.
- What happens in the closet will be revealed in the marketplace.
